ABOUT US

Furninova has decades of experience in designing and building sofas at our own European factory. We truly believe that this is the only way to guarantee the high quality and craftsmanship that we require of ourselves and that we wish our customers to enjoy. When you choose a sofa from Furninova we embrace your individuality!

Pick your personal favourite from our extensive range of fabrics and leathers. Embrace the flexibility to design or choose a sofa of almost any size and shape – a sofa to fully suit your personal lifestyle.

Good furniture should be a part of your home and everyday life: an extension of your personality and very individual requirements. In essence, it should be a piece of you.

We are a Scandinavian company and at our heart lies our Scandinavian design. It is more than just a look it is also a strong commitment to delivering long-lasting pieces of furniture - while minimizing waste, still keeping the air and water we all share safe and clean for future generations.

We are dedicated to our customers – always striving to put you at the centre of every choice we make.

It is not a choice, it is not a mission - It is a passion!

OUR OWN FACTORY

We and our suppliers fulfil the highest European standards when it comes to manufacturing materials and production methods – we think sustainably even when it comes to shipping. Our offices strive to be Eco-friendly and prioritise digital content over printed material in order to minimise paper consumption and wasteful use of water.

DESIGNED WITH QUALITY IN MIND

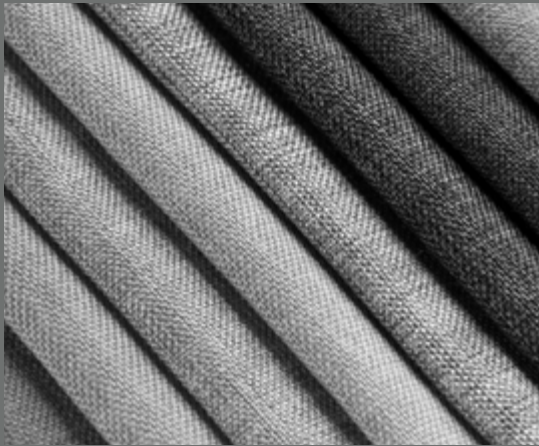

Each Furninova sofa is handmade, we have been designing and manufacturing sofas for over 20 years in our own factory. We feel that this is the only way to guarantee the high quality and craftsmanship that we demand of ourselves and that we wish our customers to fully enjoy.

FLEXIBILITY TO DESIGN

When you choose furniture from Furninova you also choose flexibility. Pick your favourite from our extensive range of almost 450 fabrics and leathers and embrace the flexibility to design or choose a sofa of almost any size and shape – a sofa to fully suit your personal lifestyle.

ENJOY THE FURNITURE

Great design is about thinking ahead. We argue that good design is kind to the environment: by designing and manufacturing furniture that is meant to be enjoyed and stand the test of everyday use for long time ahead – we help minimize our shared Co2 foot print and avoid wasting natural resources for coming generations.

ALEXA

Alexa is the ultimate flexible daybed. Arranging the cushions as you like for your day to day needs, opens up a world of possibilities where Alexa can be used as a sofa, a daybed or simply a bed. Its light appearance does not compromise on seat comfort – it is designed to have the comfort of a sofa and the shape of a day bed.

Daybed - Alexa

AMAYA

Amaya is a luxurious sofa whose armrests and backrest are also gently filled like we normally do with cushions; to make it extra enjoyable and soft to the touch. An optional specially designed outside arm- and backrest are available in a leather décor. Amaya's outstanding seat comfort and carefully crafted details place the sofa at the higher end of Furninova's collection of sofas.

Footnote: Only Sauvage leathers available on the embossed leather decors, plain decors can be ordered in our full range of leathers.

BLUES

An Italian inspired modular sofa, with almost unlimited options. Among the options, we designed an extra special cushion for this model, using a super soft core of foam wrapped with the best feathers. Thereby combining the softness of the feathers with the firmness of the foam. You can also order Blues with a contrasting piping in both leather and fabric – to give it an even more dramatic look.

BUBBLE

The round organic shapes of Bubble dares you to be different. Create an intimate island in your living room by placing the footstools and sofa together - or spread them out to highlight the dynamic play on shapes and colours. Bubble will be an eye-catcher, a comfortable spot, the centre of a conversation - in any home you place it.

Sofa - Bubble

CARTAGO

Cartago is highly configurable. Its optional tray table provides you with a nifty surface close by to place the afternoon tea; or that great novel you are aching to finish but never seem to get around to...

CHURCHILL

A handcrafted timeless classic, Churchill is as luxurious as it looks! Highly skilled upholsterers create the seamless folding and ensure that each brass stud is perfectly placed. loose feather-wrapped cushions ensure that the seating comfort is second to none. Churchill is that classic blend of old-world craftsmanship and modern materials coming together in an iconic design.

DOUBLE

A modern classical sofa with slim armrests and seat frame.

As the name suggests, we have added a double set of seat cushions to create an amazing level of seat comfort.

Unlike a lounge sofa, whose seat depth is more oriented towards lying down, this sofa is more designed to offer the best possible comfort while sitting on the sofa.

HARMONY

The beautifully curved slim arm- and backrest make Harmony both a modern and classical looking sofa. Available as an optional extra, the loose cover is perfect to have if you enjoy life in the sofa with kids or furry friends - or maybe just want to have the choice to change the look of the sofa depending on season or setting.

Harmony comes in two different looks: Day and Night. The Day model has a few larger back cushions and the Night version come with many smaller ones - all to let you find the perfect match to your preferred comfort needs.

KIBO

Kibo has a modern rustic country-style look. With its loose cover and fantastic comfort in a double seat cushion, Kibo is a relaxing place to be and it looks especially stunning in cotton/linen fabrics.

MELBOURNE

An ideal day-to-day sofa for many homes with its fixed seat and contemporary design. Melbourne can be ordered in Furninova's wide range of fabrics and leathers.

SYDNEY

A contemporary design and fixed seat make Sydney the perfect everyday sofa for many homes. Available in a wide range of leathers and fabrics to suit your home and style.

MONROE

From the carefully designed angle of the frame, the optional piping, to the choice of ordering the sofa in contrasting or matching upholstery on the sides and back. Monroe is a statement to our high level of craftsmanship. The super soft back and arm cushions are feather filled, which together with the deep and thick seat cushion gives you the best possible comfort to lay down and relax.

PASO DOBLE

One of our most popular models and thoroughly stylish. Paso Doble is a modern relaxed lounge sofa, available with a wide range of modules and configurations. This sofa really puts the designers pencil on your hands – we just provide the building blocks.

Module sofa - Paso Doble

PIEMONTE

A lounge sofa is always a cool place to be! The great design and the higher leg frame send off a great vibe, giving Piemonte a relaxing and comfortable presence before even sitting down. Piemonte can be ordered with a wooden seat frame or come fully upholstered. The special sewing option lets you tailor the sofa to give a different look and feel, all depending on your preferred personal style.

PINOT

With high legs and a very thin seat frame, Pinot is a very stylish and at the same time a relaxing and comfortable sofa. The higher back and back cushions give plenty of support while it lets you sit down in style. The sofa can be ordered either optional wooden seat frame or fully upholstered.

Sofa - Pinot

SAKE

Sake is all about shabby chic looks and a relaxed sense of luxury. With a generous seat depth and stunning looks in linen or cotton fabrics it is a total charmer. Its unique seat combination of memory foam and feather filled seat cushions make its comfort a unique experience of being both soft and supportive. Be warned, once you sit down you will never want to leave.

SCARLETT

A classical soft and feminine look can best characterise the design brief for Scarlett. A plentiful sofa with a heavenly seat comfort and loose back scatter cushions that create a cosy and relaxed atmosphere in your home. Combine it with a footstool in the middle of the configuration for a lighter and a slightly more contemporary look. A soft chenille fabric complements Scarlett very well.

Module sofa - Scarlett

SMILE

Smile - Is a sofa whose appearance stem from the modern retro trend. We wanted the shape of the sofa to be more rounded, and a sofa that would make you happy. The Sofa is curved from front in a special way that creates the shape of a smile.

Sofa - Smile

STARLIGHT

The seat frame has a built-in memory foam cushion, with an additional loose down filled seat cushion that lies on top. Both supportive and cosy, Starlight offers a type of comfort that is pure heaven to sit in.

Module sofa - Starlight

TRACY

That air of Continental Europe can be found in Tracy's design roots. Supremely comfortable with clean lines, beautiful sewn details and generous proportions. Tracy can be the sofa for the discerning customers who puts design and comfort at the top of their lists as well as a sofa for the family who wants a great place to socialize during the week.

Sofa - Tracy

VESTA

Our most popular model. We wanted to create a modern lounge sofa with many different modules – a model where you can create your own combination according to your needs. All modules are fully upholstered so you are free to change them depending on your needs.

Module sofa - Vesta

ZOLA

The lovely details such as pullings in the back cushions and headrest give Zola a modern yet classic look. A manual headrest function on the back cushion and a thick seat provides plenty of comfort and adjustability – we always feel design and comfort should work in harmony – something Zola is a great example of.
