Motion function

Vesta Motion offers a slide function module, where the seat slides back and forth to suit your needed seat depth with the help of electrical motors controlling the position.

Headrest

An adjustable headrest on some of Vesta's modules ensures perfect back support and offers a relaxed position. Available in both fabric and leather with standard or special sewing. The comfort of the headrest inherit the specific ordered comfort of the sofa.

Vesta Motion

The motion function is available on the following modules and slides 20 cm out from the module.
