Description

Nabbe is a modular concept available in several fixed combinations. Nabbe's high level of comfort is ensured by the unique, turnable seat cushions consisting of quality pocket spring wrapped in a layer of 40 KG HR foam. The back cushions are panel sewn and have a soft foam mix wrapped in a thick layer of wadding for optimized back support. To accommodate a wide audience, Nabbe offers 2 different arm designs and different leg types and finishes. The arm designs along with the option of either wood or metal legs allow for customization with an individual touch.

- **Finger joint solid wood frames**
- **Pocket spring in the seat**
- **Seat cushion 40 KG HR foam**
- **Turnable seat and back cushions**
- **Modular concept with several combinations**
