Checklist

So you won't forget any of our choices...

Please use this checklist in order to discuss all options with your customer.

An absolute must

The following options must be considered for this model (please always mention with your order):

Feet

Model: Basic

DAS SOFA

Product and ordering information

Frame:	Load-bearing parts of the frame made of solid wood and wood materials, surfaces lined with padded cardboard.
Seat:	Spring system with permanently elastic steel sinuous springs and upper-side cover. Seat made of PUR-foam (at least RG35), seat covered with cotton wadding.
Back:	Fixed back made of ergonomically shaped PUR foam, structured in layers harmonised in different thicknesses and hardnesses. Cover made of cotton wadding.
Upholstery:	Soft, loose upholstery structure, in which a model-related or design-related wave formation of the covers, as well as seat impressions, are typical for the product. The upholstery will adapt to the body shape or the seat firmness will slightly decrease. Minor differences in the seat firmness in the case of add-on assemblies are due to the design and are therefore no reason for complaint.
Dimensions:	Height: 102 cm Depth: 81 cm Seat height: 45 cm Seat depth: 52 cm
Decorative fabric:	The decorative fabrics Classy and Velvet Bouquet are available for this model and pattern matching is not possible. For prices please see PG 10.

Product and ordering information

Miscellaneous:

All materials used meet the requirements of the DGM according to RAL GZ 430. The appearance of the stitching may vary depending on the fabric, leather and artificial leather used. The definition of quilted mats and cushions depend on the design and structure. The appearance of decorative, fell and double seams may vary depending on the fabric, leather and artificial leather used.

Suites are standardly delivered with the back covered in the chosen fabric. All material-related information can be found on the back of the individual fabrics and leathers in our fabric and leather samplers.

All values stated in the price list are approximate measurements in centimetres, determined by the usual measuring method (see RAL-GZ 430) and in unused new condition.

Please note that in the course of use of very casual upholstered furniture, particularly the seat height and seat depth, there may be noticeable deviations from the dimensions given here. We reserve the right to make changes in form, colour and construction in the course of technical progress.

Please note orders always as standing in front of it from left to right!

Are you demanding? That's fine - we are too!

Therefore, we attach great importance to durability, material quality, longevity, safety and health tolerance!

Because our furniture meets the high standards of the Gütegemeinschaft Möbel e.V., our entire product range is awarded the quality mark „Golden M“ and the highest possible emission class A.

Quality mark „Goldenes M“

Nearly 50 years of research, laboratory tests, field tests, comparisons and scientific exchange is behind the RAL quality mark „Goldenes M“.

- Tested quality according to quality and test regulations RAL-GZ 430
- Guaranteed safety through elaborate laboratory and functional tests
- Healthy living through strict limits for pollutants - sometimes more stringent than the law requires, which were determined in independent test laboratories

The „Goldenes M“ means for the furniture buyer: This is quality, you can rely on.

Emmission label

An expert group of the Deutsche Gütegemeinschaft Möbel e.V. has developed in collaboration with leading test institutes such as TÜV Rheinland, the LGA Nuremberg and the ECO Institute an Emission label for furniture.

- The label gives the consumer information about pollutant emission and should protect him from health protect impairments
- The entire range is classified according to these guidelines
- The proof of classifications is based on compliance of the awarding basis with appropriate pollutant tests from neutral testing institutes based on the requirements of RAL-GZ 430 or the Blue Angel's.

Our products meet the highest emission class „A“, which gives us a clear conscience and you a maximum of safety with regards to the emission levels of your upholstery.

Are you demanding? That's fine - we are too!

Especially in the leather area, a responsible approach to the environment and health is very important for us.. Our leathers have been awarded the „Blue Angel“ because we specifically select upholstery leathers for our furniture that are harmless to health.

So that our customers can enjoy their leather furniture for a long time, we now offer the possibility to take out an additional 5-year service guarantee up to 4 weeks after purchasing the furniture.

Blue Angel - environmentally friendly upholstery leather

The Blue Angel for low-emission upholstery leather signals that the excellent leathers minimize the environmental and health burdens from production over the entire daily use to recycling and disposal. The following leather qualities are awarded with the Blue Angel:

Cento
Dickleder Torero
Life-Line
Nature

The Blue Angel is the world's most successful eco-label with a brand awareness of 92%!

The Longlife 5-Year Service Warranty

With the right cleaning and care products you keep the value of your upholstered furniture and enjoy it for a long time. As part of this 5-year service guarantee, you will receive professional phone support, free special products and free support.

The warranty can be completed for the following leather qualities:

Cento
Dickleder Torero
Mercury

The Longlife 5-Year Service Warranty provides security for a upholstery leather that is particularly durable and easy to care for!
