

# Samba

# Samba

With various modular seating pieces to choose from and several possible configurations, the Samba collection is a sofa for the many. Samba's organic design language, with some of its modules being curved, enables you to create a sofa group made up of circles or round flowing shapes. The collection includes not only seating modules but also the option to choose between different armrests, back cushions, comforts and legs.

*Samba Day, 3-seater in Nabucco steel with Salvador armrest.*

*Samba is a sofa that doesn't need to be categorised. Equally accomplished in expression and functionality, Samba is a natural place for meetings, rest and socialising - no matter the setting or context it is placed in.*

The generous dimension of the seat and backrest are designed to create an inviting area dedicated to relaxation, conversation and reading. Samba can be ordered in 3 different types of back cushions and with four varying styles of armrests to suit your style of leisure fully.

*Samba with Double Day cushions and the rounded chaise lounge.*

# Samba modules

## Modules

**1-module (80 cm)**  
81\* x 96 x 74 cm

23 x 94 x 57 cm

**Rio**  
26 x 96 x 57 cm

Samba Night in Alice Petrol with Salvador armrest.

## Back cushions

### Day cushions

*With Day cushions you get a square tailored look, as the cushions are cut to fit the sofa perfectly. Seat depth: 62 cm.*

### Double Day cushions

*Double Day cushions give the sofa a more narrow seat depth for those who enjoy a bit more support for the back. Seat depth: 50 cm.*

### Night cushions

*With scatter cushions, you get a softer look and can adjust the support as you like. Seat depth: 50-64 cm.*

# Comforts

# Upholstery

## Upholstery

Samba is available with fabric or leather upholstery.

## Frame

All the bearing parts of the frame are made of solid wood. Some components are made of particleboard.

## Piping

Samba sofas are made with piping, in matching or contrasting leather/fabric as the rest of the sofa.

## Samba High

We based the Samba collection on people's different requirements and made variants to suit most preferences and needs. For example, Samba comes in two different heights on the back frame: Standard, 47 cm or High, 54 cm.

## FSC®

### The Forest Stewardship Council

Furninova is certified by FSC® to achieve our social and environmental goals, creating a wide range of furniture crafted from responsibly sourced wood and wood-based products.

The Forest Stewardship Council (FSC®) is an international non-profit organisation working towards establishing more sustainable forestry around the world. FSC® provide global standards for forest management, which cover a balance of environmental, social and economic aspects.

By being a member of the organisation, Furninova has a certification that confirms that the forest is being managed in a way that preserves biological diversity and benefits the lives of local people and workers while ensuring it sustains economic viability.
