

Lenya series

Designed by Meike Harde, Germany

Take a deep breath and enjoy a revitalizing break. The Lenya yoga mat and accessories allow you to develop mindful habits in the comfort of your own home – made of cork, linen and foam made from 30% recycled polyethylene, with a subtle play of colour and various textures that will stimulate your senses. Beautiful enough to not store away after every use and finished with practical details like handles and straps for carrying. Designed by Meike Harde.

Meet the designer

My designs are characterized through fine structures, certain transparencies and subtle details adapted in pure shapes. My designs aim towards an aesthetic synergy of material and form. I believe that a decorative element should walk hand in hand with a useful purpose. For me, function and aesthetic are a unified whole.
