

Sepia series

Designed by Glismand & Rüdiger, Denmark

Create an elegant lounge atmosphere in your living room with Sepia. A classic, corner or chaise longue sofa with a rich and robust look and characteristic base in FSC® certified oak. The sofa is designed with beautiful, handcrafted details and an inviting and soft profile, with reversible seat cushions that extend the lifetime and are placed on a slightly sloping base that keeps them in place. Complete your decor with a pouf with built-in storage. An utterly classic lounge sofa, where comfort and quality go hand in hand.

Meet the designer

Bolia was born in Denmark, and so was the renowned design duo Glismand & Rüdiger – an origin that serves as main source of inspiration in their approach to furniture design. When designing furniture, the design duo seeks inspiration from the vivid Scandinavian nature and materials while honouring the proud design tradition built on simplicity, elegance, craftsmanship and sustainable materials. “We share a passion for Scandinavian design and natural materials. Sustainability is the starting point for every new design we create. All the way from the first sketches to the final product, cause what we believe the most, is designing beautiful products that are built to last and survive trends.” For Glismand & Rüdiger Scandinavian design isn’t a label, it’s a commitment in their design-work. It’s something to be interpreted in contemporary and new ways, and something to be proudly honoured.
