

Piro series

Designed by Michael H. Nielsen, Denmark

Piro was designed with the aspiration to create a table as the natural gathering place for family and friends, using only the finest natural materials – solid marble and oak. The carefully selected wood ensures perfect grain patterns, to give the design with a serene look. Following classic design principles, the conical column firmly rests on the floor with a substantial marble base, visually anchoring the table for stability and calm. A table to last for generations.

Meet the designer

El meu estil es caracteritza per posar el focus en els detalls i en aquest «marge» que distingeix els meus dissenys de tota la resta. Una de les coses que més m'ha influït ha estat observar la diversitat de les persones i mirar de satisfer les nombroses necessitats diferents que tenen. Sempre m'ha fascinat l'artesanía de qualitat i la interacció entre artesans i dissenyadors. El bon disseny és aquell que aporta sentit i valor a les persones que el fan servir.
